Attn: Mr. Klein

Dear Mr. Klein,

Once again Bikur Cholim wishes to convey our heartfelt thanks to you for your very kind gesture. We received the toys and immediately distributed it to the patients in the hospitals. The response to these gifts was overwhelming! It is amazing to what extend a kind deed could reach. Our volunteers relate that the poignant reaction of the children compensates them for their effort. You surely deserve to be applauded for engaging in the Mitzvah of Bikur Cholim in such a unique way.

In זכות of bringing joy and comfort to these children, may הש"ת shield you and your loved ones from all pain, and may you be זוכה to reap the reward of your gracious deed.

Sincerely,

Mrs. C. Miller  
Secretary
